### **3. Meeting Notes, Decisions, Issues**

It was decided due to low attendance at meetings and lack of time, the awareness walk will be moved to October. The committee would still like to present awareness for the month of April, which can be done through digital advertising at no cost.

In the future, meetings will consist of assigned tasks and discussions instead of sub-committee formation.

A sample support letter was handed out, which would request local area businesses and providers for financial support.

There were no volunteers from the Child Abuse Prevention Council to hold the committee's funds. The next step would be to approach the Bar Association.

The next meeting will be discussion of future goals and plans of the committee.
