### 3. Meeting Notes, Decisions, Issues

CAPOC (Child Abuse Prevention Outreach Committee) was originated out the Children's Roundtable meeting, which Judge Snyder chairs. The committee was developed to raise awareness in the medial and public for child abuse and wellness.

CAPOC has tentatively developed sub-committees to reach goals such as:

Fundraising  
Event Planning  
Day of Event Task Management  
Press Releases/Advertising  
Partnerships

**3. Meeting Notes, Decisions, Issues**

The committee will be hosting a prevention walk in April of 2008. A letter was presented to the Mayor requesting proclamation. The committee may also request commissioner proclamation. Discussion was held regarding the possibility of using the walk as a fundraiser. The costs of the t-shirts seem to be an issue and could be addressed with a donation from a printing company. The walk is scheduled for April 3, 2008 from 11:30 am to 12:30 pm.

There is possible interest from the Bar Association if the committee provides more information to support its cause.

The committee would like to partner with the Child Abuse Prevention Council in order to assist with monies and treasury issues.

A logo was created to represent the committee in advertising campaigns, which will be reviewed by the sub-committee. Bob Rudy, of 98.5 The Peak, has also joined the committee to assist in advertising.

Many area clubs/agency were named as possible links to the community for support, ie. Nurse Family Partners, Hanover Exchange Club, York Exchange Club, Lehman Center, Teen Pregnancy Resource Center, Family Child Resources, CASA, Community Care and Behavioral Health.

Notices will be sent via e-mail regarding the dates and locations of future meetings.
